Ragged Mountain

Ragged Mountain is a modern fragrance with universal appeal. Beginning with hints of orange, grapefruit, and an infusion of sage that enhance the natural earthy quality. New England Winter

Imagine a crisp winter night, the crunch of new fallen snow beneath your feet, and the brisk scent of pine tickling your nose. This fragrance is infused with natural essential oils including cedar wood, fir, lavandin, patchouli, laudanum, and mandarin.

Christmas in CT

A luscious blend of tart cranberries, juicy apples, and spice. Infused with natural essential oils including orange, cinnamon leaf, and cinnamon bark.

Soundview

Sit back, relax, and drift away to the warm, sunny beach of Old Lyme, CT. edged by blue water and the gentle rush of waves. While many coconut fragrances are on the sweet side, this scent instead leans on woody notes of sandalwood, cedar, & amyris.

Mystic Waters

This clean scent starts with top notes of ozone, while Eucalyptus and freesia complement the sea salt core of this fragrance. A touch of powder in the base keeps this scent light and airy, while moss adds an earthy, green depth.
